Photography

Please notify us in advance should there be any instances where students in your care do not have parental (or other) permission to be photographed and indicate the particular pupils to the 1851 Trust educator.

Marketing & social media

We encourage schools to feature their Tech Deck visit on their websites, or in newsletters or on social media accounts. Please tag the 1851 Trust using @1851Trust on Facebook, Twitter and Instagram and we will share your posts. Please also send us a copy of your article (preferably before publishing) for approval.

Supervision and code of conduct

For health and safety reasons you must accompany and actively supervise your students at all times. Unsupervised students and/or poor behaviour could mean that your group is asked to leave. The Land Rover

BAR base is a working environment so please remind students to respect other visitors, exhibits and Land Rover BAR employees.

The minimum requirement is one adult for every 15 students; however your class may require more supervision. Please ensure you have enough adults before you request your visit. Students arriving without accompanying adults will not be allowed into the building.

Dress code: normal school uniform

Bags: there are no lockers or prescribed storage, so we kindly ask that these are left behind unless necessary.

Photography: photography is allowed in the Tech Deck but **not permitted** elsewhere whilst you are in the building. Please **do not** take photos of the boat shed.

Before you visit

Feedback has demonstrated that pupils get more from their visit to the Tech Deck when they know some of the background to Land Rover BAR and the America's Cup. We highly recommend you register (for free) at www.stemcrew.co.uk, the online teaching resource from the 1851 Trust which provides a number of curriculum-linked classroom resources, using real-life data and examples from Land Rover BAR.
